EMPLOYMENT

Hotel Chocolat, Sales Advisor (Key Holder) August 2025 – September 2026
- Drive exceptional customer experiences and sales as brand ambassador through personalised service, product demonstrations, and consultative selling — contributing to £1.3M in annual store sales, ranking in the top 20% of stores in the UK and 2nd in district
- Manage daily security and opening/closing procedures across the premises, maintaining strict compliance with company policy with zero incidents
- Process cash transactions, refunds and exchanges accurately, reconciling registers and preparing bank deposits daily while upholding high visual merchandising standards across store and café areas
- Prepare beverages and ice creams to standard while supporting inventory and stock organisation, maintaining full compliance with health and safety regulations
- Collaborate within a team of 8 to consistently meet store sales targets, balancing retail, café, and store maintenance responsibilities

SS&C Life and Pensions, Trainee Actuary August 2022 – July 2023
- Delivered monthly tax calculations and valuations for 150+ insurance client accounts, performing complex actuarial calculations daily using SQL and MS Access
- Verified gain calculations across 50 client plans per month prior to certificate issuance, maintaining 100% accuracy and full regulatory compliance
- Collaborated with Actuarial Operations and Taxation teams to optimise workflow processes, cutting turnaround time by 15% while adapting to a fully remote operating model
- Maintained macro-enabled spreadsheets, reducing manual data analysis time by half across the team
- Strengthened attention to detail and self-management by identifying and resolving client requirements independently, consistently meeting all deadlines
